

Northwest Alabama Livestock Auction

1st Annual

Fall Preconditioned and Graded Feeder Calf Sale

Monday October 26th

Northwest Alabama Livestock Auction-Moulton Barn

Sale begins at 7 p.m.

Whether you have 50 calves or just 5, the NWAL Fall Graded Feeder Calf Sale gives you the opportunity to market your calves in large groups to capture more dollars for your animals.

Cattle will be received on Sunday October the 25th and Monday October the 26th. From 8 a.m. until 4 p.m. on sale day, the calves will be individually weighed and sorted into groups by sex, color, weight and grade.

To be eligible to be sold as “Preconditioned”, calves must be: Weaned for 45 days minimum, Males must be castrated and healed, Polled or Dehorned and healed, Vaccinated and boosted for 7-Way Blackleg, Vaccinated and boosted for IBR, BVD, PI³, and BRSV (Booster must be Modified Live), Vaccinated for Pasteurella, and Dewormed within 60 days of sale. Vaccinations must be recorded on Preconditioning Health Form and proof of purchase must be provided.
